MEMORANDUM FOR: Deputy Director for Support
SUBJECT : Rationale of CIA Retirement Policy

1. I generally concur with [] paper on the rationale of CIA retirement policy. It could perhaps be tightened-up, e.g., repeated references to the Agency's need for personnel of the highest competence, dedication, integrity, etc.

2. This rationale could well be accepted by personnel entering the Agency in recent years and those joining us in the future. It is less acceptable to a rather considerable number of employees who, when they joined the Agency, expected to work at least until they reached age 65.
